

ROUNDWOOD FENCE «PRERI»

A fence "Preri" consists of a ready-to-mount section with 13 pieces per packet and packed in standard packets palisades (posts) with borings. A set includes 1 section and 1 post. For territories with level differences it is necessary to use 2 posts for each section.

code	product dimensions, cm.		
	section length, cm.	cross bar dimensions, cm. diameter x length	post dimensions, cm. diameter x height
Preri #11 8-200\82^6	200	8 x 200	6 x 82
Preri #12 8-200\111^6	200	8 x 200	6 x 111

* Posts are supplied in standard packets as palisades.
